Course Content Access Control - Adaptive Release

Last Modified on 03/06/2025 3:06 pm HKT

Overview

• You can use release conditions to define when students can view and access course content.

Steps:

Note: if needed, please consider making the item unavailable (Blackboard Help (https://help.blackboard.com/Learn/Instructor/Original/Course_Content/Create_Content/Edit_and_Manage_Content#control-availability-of-content_OTP-3)) before you apply adaptive release to it.
