Common Usage of Student Preview

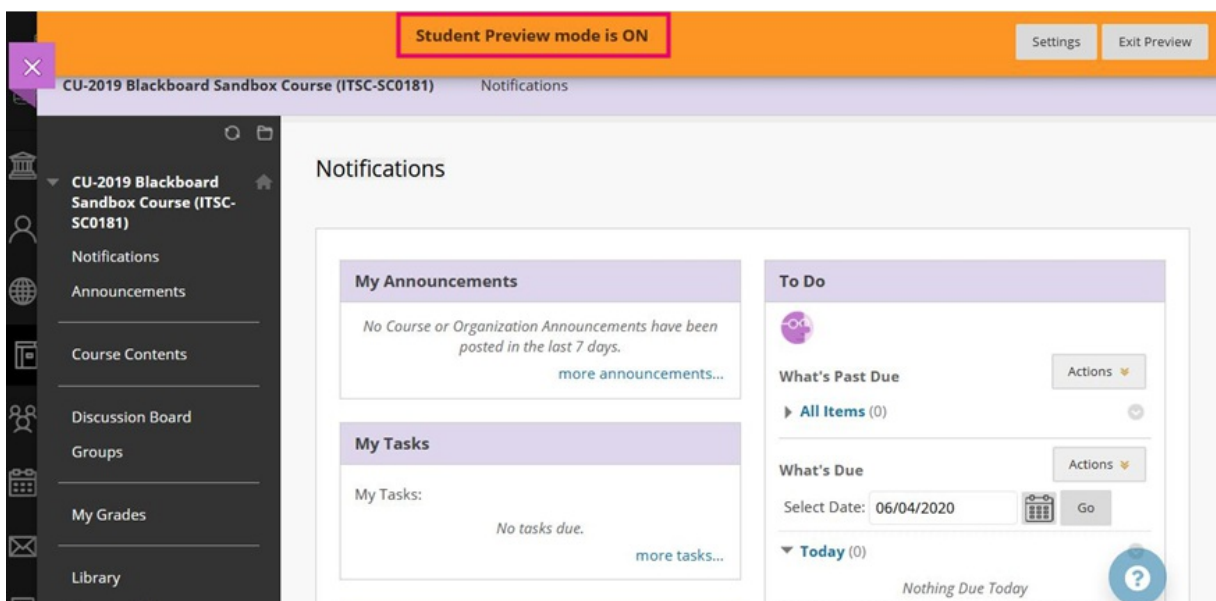

- Check Tests and Assignments which are available to students.
- Check Adaptive Release “Membership” setting (e.g. enroll the preview user account to a certain group to check if an item is visible/invisible to the group).
- *Note: Student Preview is not available for Panopto Video ([More information \(https://support.panopto.com/s/article/Blackboard-Student-Preview\)](https://support.panopto.com/s/article/Blackboard-Student-Preview))*

Enter Student Preview.

1. Click "Student Preview".

2. Student Preview mode is ON.

- When you enter student preview mode and are logged in to your course with the preview user account, your preview user appears in the course roster.
