Overview

Zoom allows you to review meeting statistics and registration/attendee reports for your meetings.

Hosts can access the reports on <https://cuhk.zoom.us> > Reports.

According to Zoom Help Center: [Getting started with reports](https://support.zoom.us/hc/en-us/articles/201363213-Getting-started-with-reports) (<https://support.zoom.us/hc/en-us/articles/201363213-Getting-started-with-reports>)

Recently ended meetings may take up to 30 minutes to provide complete reports.

Meeting reports, such as attendee lists and polling results, can be retrieved for the last 12 months, with a search range of up to one month at a time. If a meeting is not started in 30 days, [expires](https://support.zoom.us/hc/en-us/articles/201362373) (<https://support.zoom.us/hc/en-us/articles/201362373>), and is batch deleted by Zoom, the registration reports for the meeting are also deleted.
