## Opportunity 1: Coursera Partner Consortium Learning Program – Free Coursera courses for students, faculty, and staff

- The University has joined Coursera Partner Consortium, which allows universities that create content hosted on Coursera (partners) to share that content with the students of other participating partners. More details are available at <https://learner.coursera.help/hc/en-us/articles/360055887971-Coursera-Partner-Consortium->.
- If you are a CUHK student, faculty or staff member, you may register for this opportunity to access Coursera courses and specialization offered by the participating partners and earn verified certificates after completing the courses and specializations free of charge.
- Registration: <https://cloud.itsc.cuhk.edu.hk/webform/view.php?id=11752643>

## Opportunity 2: Coursera for Campus Program (On-going)

- CUHK students, faculty, staff, and alumni can continue to access CUHK Coursera courses and specialization and earn verified certificates through the Coursera for Campus Program free of charge.
