How to Copy or Move Panopto Videos

Last Modified on 20/07/2026 2:25 pm HKT

To reuse Panopto videos, teachers could consider copying or moving them from a folder to another.

1. Access Blackboard Course (source course) > Panopto. For more information, please refer to Panopto Support: How to Use Panopto with Blackboard Ultra for Instructors (https://support.panopto.com/s/article/How-to-Use-Panopto-with-Blackboard-Ultra).
2. Then follow the steps below to copy or move the videos:
    - Panopto Support: How to Batch Copy and Move Videos (https://support.panopto.com/s/article/Batch-Copy-and-Move-Videos)
    - Panopto Support: How to Copy and Move Videos (https://support.panopto.com/s/article/merge-and-copy-1)
3. If you cannot find your destination course folder, please expand 'Blackboard' folder to find the folder.

If you have any questions, please reach out to ITSC Service Desk at https://servicedesk.itsc.cuhk.edu.hk or email us at elearning@cuhk.edu.hk.
