Blackboard App
In the past Blackboard had two separate mobile apps: the Blackboard App and the Blackboard Instructor App. They have consolidated to a single app for both instructors and students. The user experience will change based on the user's role within a course.
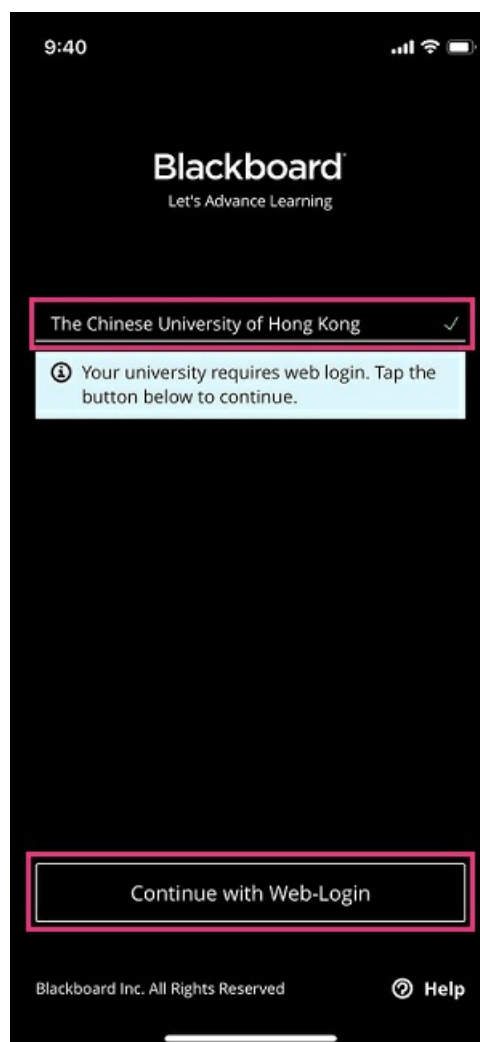

Note for Instructors and TA/Support Staff: Support for the Blackboard Instructor iOS and Android apps ends in September 2022. Instructors should download the Blackboard app for iOS or Android.

Log in

1. Tab Blackboard App to open it.

2. Enter and select 'The Chinese University of Hong Kong', then tab 'Continue with Web-Login'. 2FA (DUO Two Factor Authentication) (https://www.itsc.cuhk.edu.hk/all-it/information-security/two-factor-authentication-2fa/) is required.
