1. ## What are the main differences between this version and the chatbots provided by poe.com?

   - Poe.com offers a variety of chatbots powered by different models. You can find information about these chatbots in the About (https://poe.com/about) section of the website.
   - Our first version chatbot, similar to "ChatGPT" on poe.com, currently uses a 3.5turbo model with a token limit of 4096.
   - The University bears the cost associated with our chatbot, and we monitor the usage of it.
   - For interactions with Poe, please refer to the Poe Privacy Policy, which we have previously shared and is available at https://poe.com/privacy.
