Blackboard Learn Ultra: Poster Presentation at Expo 2023 and Online Webinar Series

We are excited to invite you to join us for two upcoming events related to Blackboard Learn Ultra (you could refer to Getting Started with Blackboard Ultra Course View (http://help.edtech.cuhk.edu.hk/docs/getting-started-with-blackboard-ultra-course-view) if that is new to you).

These events provide an excellent opportunity to learn more about the platform and interact with the vendor supporting it.

Event 1: Poster Presentation at Teaching and Learning Innovation Expo 2023

- Title: Empower Instructors with AI (Submission V02) (Details (https://www.cuhk.edu.hk/eLearning/expo2023/))
- Date: 5 December 2023 (Tue)
- Programme: https://www.expo.elearning.cuhk.edu.hk/programme
- Location: G/F, Yasumoto International Academic Park (YIA)
- Participant Registration: https://www.expo.elearning.cuhk.edu.hk/registration (No need to register if you are a presenter in the poster or oral presentation sessions.)

You will have the opportunity to engage with the representatives from Anthology (the vendor), ask questions, and explore the possibilities of Blackboard Learn Ultra.

Event 2: Online Seminars

In addition to the poster presentation, Anthology will also host three online seminars in December. These seminars will delve deeper into various aspects of Blackboard Learn Ultra, providing valuable knowledge and practical tips.

- Blackboard Learn Ultra – On Content Creation:
  - Date and time: 7 December 2023 (Thu), 1430 – 1530
  - In this session we will revisit the basics of content creation and consider how an instructor can easily re-create their Original View course in an Ultra View course.
  - Recording: https://cuhk.ap.panopto.com/Panopto/Pages/Viewer.aspx?id=cd0c952e-f527-4a77-ae42-b0d1009c9946
- Blackboard Learn Ultra – On Assessment and Gradebook:
  - Date and time: 8 December 2023 (Fri), 1100 – 1200
  - In this session we will look at the creation of assessments in the Ultra Course view and at some of the useful new features this provides. We will also cover Gradebook management and day to day usage.
