

Anthology Educator Insights 2025

Last Modified on 02/07/2025 10:47 am HKT

This event is organized and hosted by Anthology, the provider of Blackboard services. For further details, please visit the [Anthology Educator Insights 2025 webpage](https://learn.anthology.com/educator-insights-series#registerAnchor) (https://learn.anthology.com/educator-insights-series#registerAnchor).

The Anthology Educator Insights 2025 is tailored for educators and institutional leaders across the Asia Pacific region. This series highlights how educators are leveraging Anthology solutions, primarily Blackboard, to transform teaching and learning.

Below are webinars specifically focused on Blackboard Learn Ultra Course View.

1. Blackboard Essentials for Instructors: Exploring Course Structure and Content Creation

This webinar is focused on providing an overview of the Ultra course structure and to understand how to include a variety of content types, including documents, presentations, images, knowledge checks, and videos. Learn how to add content that supports your course objectives and enhances the learning experience for all learners through consistent structure and navigation.

2. Blackboard Assessments Simplified: Training for Instructors and Course Designers

This webinar is structured to explore how to effectively set up and manage assessments within a Blackboard course. Instructors will gain knowledge and skills on how to use assignments, rubrics, and tests to evaluate learner performance and engagement. By the end of his webinar instructors will understand how to leverage assessments to enhance the learner's experience in their courses.

3. Streamlined Grading in Blackboard: Best Practices for Educators

This webinar is designed to introduce you to the power of Blackboard's gradebook. The Gradebook is more than just a location to record learners' grades, it is an interactive tool that allows instructors to utilise the different views to filter, sort, and access data, calculate grades, and monitor student progress. Join this session to learn the basics
